

CLAIRE

It's stuck on your - Ow! My hair!

SCOTT

My ID. Forgot I still had it on. Your hair must have - yeah.

(He pulls hairs off the clasp. A
pop song ringtone blasts out.)

SCOTT

Geez!

CLAIRE

My phone...

(She gets up and turns it off
without answering. She sees his
collection.)

Start

CLAIRE CONT'D

Hey, here they are! The dolls you come to the flea market
for.

SCOTT

Action figures.

CLAIRE

You have so many.

SCOTT

These are valuable collectibles. Star Wars totally
transformed the science fiction genre.

CLAIRE

You haven't even opened them all yet.

SCOTT

Don't touch the boxes!

CLAIRE

Okay, I won't.

SCOTT

Those are the most valuable ones. They're in "Mint In Box"
condition.

CLAIRE

Ha, I forgot about that guy.

SCOTT

I'm missing a few pieces that would really make this collection impressive - Telescoping Lightsaber Darth Vader, Luke Skywalker as Stormtrooper... But, it's respectable.

CLAIRE

Oh, it's impressive.

SCOTT

Sorry, but could you please not -

(HE apologetically takes action figure from her.)

CLAIRE

Oops, didn't realize I was - Yeah. Well, I'll keep my eyes open for that Darth Vader light thing, Luke Skywalker.

SCOTT

Luke Skywalker Stormtrooper. And, sure. Thanks.

CLAIRE

Yeah. Well, thanks for the beer. What am I talking about? - Thanks for saving the planet!

SCOTT

You're leaving!?

CLAIRE

Yeah, well. I've got to, in the morning -

SCOTT

I thought we were going to -

CLAIRE

We were. But then, I don't know.

SCOTT

Yes, you do. Why are you -

CLAIRE

Look, seeing you in the bar tonight - that guy from the flea market. It was a familiar face, that's all. A cute face.

SCOTT

Cute?

CLAIRE

And then when I went over to you, you didn't recognize me. You'd never even noticed me. You're... different. I get noticed.

SCOTT

I did, I just didn't.. -

CLAIRE

It's okay. It was kind of refreshing. That serious, loner guy from the flea market. I thought it would be kind of a kick, you know? No, I don't imagine you do.

SCOTT

Let me get you another beer.

CLAIRE

Maybe another time. But, to be honest - probably not.

SCOTT

I'll get you some water, then. Don't you want to hydrate? Claire, wait! I can be - wait!

Stop

(As SHE starts to exit, HE grabs her. She forcibly pushes him away.)

CLAIRE

Hey!

SCOTT

Oh God, oh God, I'm sorry! I didn't mean to - I'm not -

CLAIRE

Relax, Superman.

SCOTT

I shouldn't have - I just - You don't know this, but I'm not always this smooth.

CLAIRE

No?
